Immunization Alliance of Michigan

<https://www.immunizationalliancemi.org/>

Immunization Alliance of Michigan (IAM) is a 501c3 non-profit state-wide coalition that is working to provide more sustainable and equitable vaccine related information and outreach to people across Michigan. We at IAM firmly believe that everyone deserves the ability to live long, healthy lives based on informed healthcare decision making- specifically around vaccine information and access. With this core belief, we have made vaccine equity the cornerstone of all our vaccine education, outreach, and advocacy work.
